INTRODUCTION

All seriousness aside,
this is my first time writing and designing
a pattern for the public.
I had it all over my sticky notes until now.
I finally put it all together
and made it easier to follow, even for myself.

It has been a long time dream of mine,
to release my own patterns,
so i decided to just do it!
And i hope, that there will be even more
patterns to come!

Since english is not my native language,
please keep in mind, that there might
be some mistakes.

If there is something,
that you might have troubles with
or just want to give me your feedback,
feel free to contact me here:

116.) (2 sc, dec) x 3 (9 sc)
117.-126.) 9 sc
127.) (skip one sc, sl. st. in the next) x 4 to close.

27.) (skip 1 sc, sl. st. in the next) x 8 (8 sl. st.)
28.) Stuff the head tightly, and shape the cheeks and chin. Leave a longer tail to sew the opening shut. You will also need this thread to define the nose bridge, so it's better to have longer tail of thread than too short.

NOTE

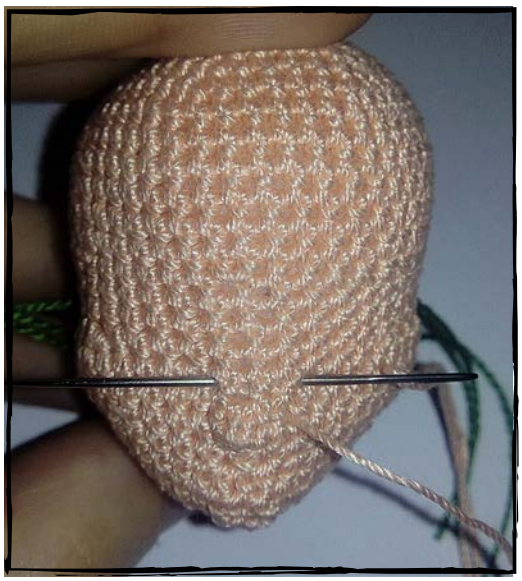
IN ROW 19, WE MAKE A NOSE. IF YOU WOULD LIKE IT TO BE SMALLER, YOU CAN INSTEAD MAKE (2 SC IN ONE SC) X 2 AND THEN (SC2TOG)) X 2 IN ROW 20

©2021 DESIGNED BY CROCHET BY CLAUDIA

DEFINING THE NOSE BRIDGE
(optional)

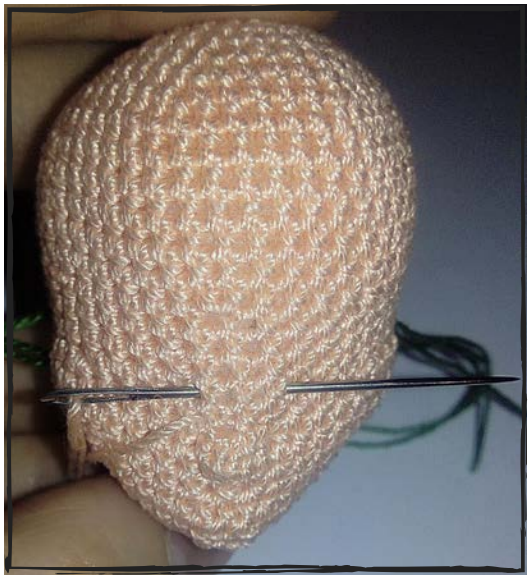
Insert the needle through the bottom of the head and make it exit next to the bottom of the nose, like shown in the picture.

Now insert the needle into the sc above the sc you just exited from and exit 3 sc left of the nose.



©2021 DESIGNED BY CROCHET BY CLAUDIA

Now insert the needle into the sc above the sc you just exited from and exit 3 sc right of the nose.



Repeat these steps for 3 more rows, lightly tugging on the thread each time, to pull the stitches closer to form the nose bridge. Repeat all the steps back down to the nose and exit through the sc left of the bottom of the nose, through to the bottom of the head and fasten off.

©2021 DESIGNED BY CROCHET BY CLAUDIA

NECK OPENING
(optional)

You can skip this step, if you don't mind the stuffing peeking through the neck opening. It won't be visible when you will place the head on to the body (neck).

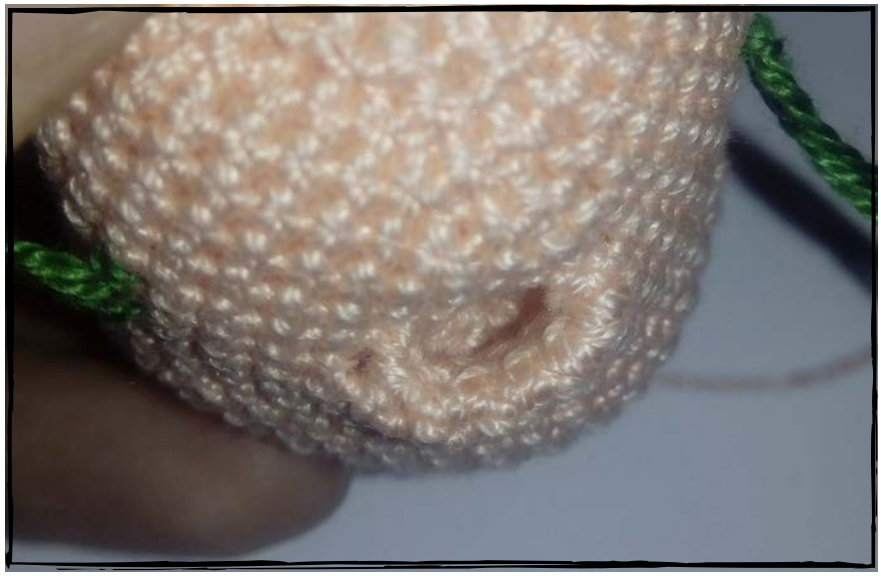
1.) Join your thread in the opening you made in the back of the head. It doesn't matter where you start. Make 10 sc around.

2.-8.) (10 sc)

9.) sl. st. in every other sc to close.

©2021 DESIGNED BY CROCHET BY CLAUDIA

Fasten off and use the tweezers to push the neck opening inside the head. This is where you will insert the neck.



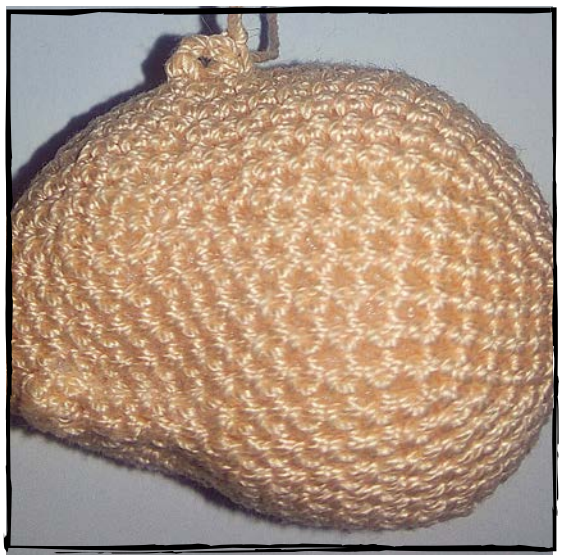
©2021 DESIGNED BY CROCHET BY CLAUDIA

EARS

RIGHT EAR:

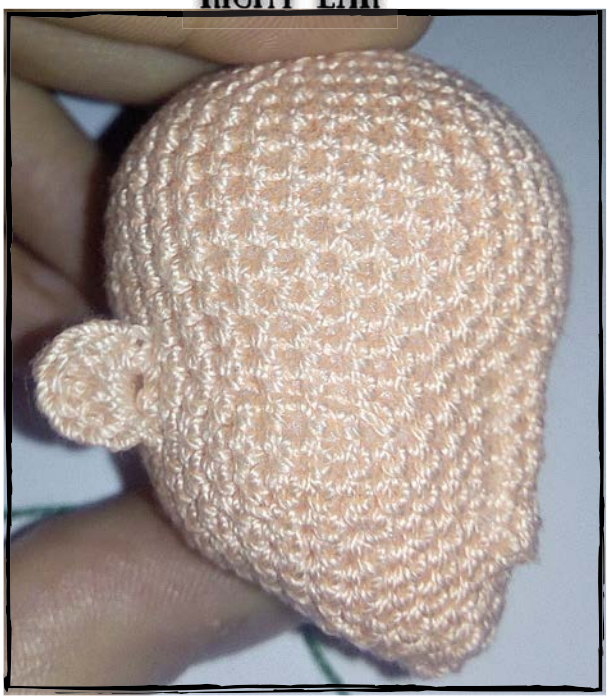
1.) Join your thread in the bottom sc you marked (33rd sc of row 18). The face should be facing away from you.
Ch 3, and sl. st in the top sc you marked (29th sc in row 16).
Ch 1, turn work.

2.) You are now facing the face of the doll. Working in the ch 3 space, make: hdc, dc, tr, 2 dc, hdc, sc, sl. st.
Fasten off and weave in the ends.



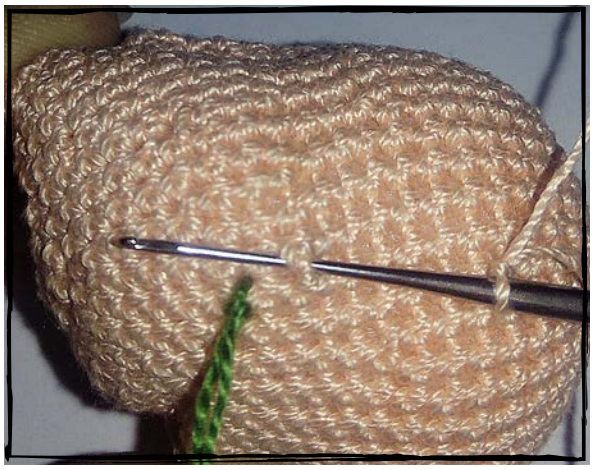
©2021 DESIGNED BY CROCHET BY CLAUDIA

RIGHT EAR



LEFT EAR:

1.) Join your thread in the top sc you marked (8th sc in row 16). The face should be facing awayfrom you. Ch 3, and sl. st in the bottom sc you marked (8th sc in row 18). Ch 1, turn work.



©2021 DESIGNED BY CROCHET BY CLAUDIA

2.) You are now facing the face of the doll. Working in the ch 3 space, make: sc, hdc, 2 dc, tr, dc, hdc, sl. st. Fasten off and weave in the ends.

©2021 DESIGNED BY CROCHET BY CLAUDIA

BREASTS
(make two)

1.) 3 sc in MR (3 sc)
2.) 3 inc in B.L.O (6 sc)
3.) 6 inc (12 sc)
4.) (sc, inc) x 6 (18 sc)
5.-6.) (18 sc)

NOTE

IF YOU WISH TO MAKE THE BREASTS SMALLER, YOU CAN FINISH INCREASING WITH ROUND 3 AND MAKE 2 MORE ROUNDS OF 12 SC.

Make 2. Fasten off, leaving long tail of thread for attaching the breasts to the body. Sew them on the body, leaving small opening and stuff them. Finish off sewing them on to the doll.

©2021 DESIGNED BY CROCHET BY CLAUDIA

YOU ARE DONE!

You can now blush the body with some soft pastels (optional), dress her up however you'd like and make her completely your own and unique!

THOUGHTS & THANKS

I hope you liked this pattern and hopefully it was easy to follow. Like i said before, english is not my native language, so some instructions may be harder to understand or maybe i'm just bad at explaining haha! But i will gladly try and better explain any questions you might have.

I put a lot of work, time and love into this pattern, so i would absolutely love any feedback, may it be bad or good, so that in the future patterns (if there will be any) i can do better! We all can learn from our mistakes, grow and keep improving our skills, right? So, feel free to tell me what you liked or what you absolutely hated!

You can also send me photos of your creations or tag me on instagram @crochet_by_claudia, if you decide to use this pattern. I would love to see what you create!

Since this is my first pattern and i am fairly new to this, i decided to release it for free. I just don't feel comfortable yet to charge any amount for it. But if you wish and would like to donate, you can do so through Paypal at https://paypal.me/crochetbyclaudia whatever amount you wish to. But like i said, the pattern is completely free and you do not need to pay for it! I just hope you enjoy it and find it useful.

I would also like to thank each and every one of you lovely people, that chose to try this pattern out. I am aware that there are a lot of amazing patterns out there, so i truly appreciate you, taking your time and deciding to try mine out!

Stay creative and keep on crocheting!

Thank You!

Claudia
